RE: Driver Education Examiner Deadline Extensions

Dear Driver Education Examiners,

Indiana Governor Eric Holcomb issued Executive Order 20-02 which declared a public health emergency exists throughout the State of Indiana as a result of the coronavirus disease 2019 (COVID-19) outbreak in the United States.

Indiana Governor Eric Holcomb issued Executive Order 20-05 allowing state agencies to extend any non-essential deadlines of their agency for a period of no longer than 60 days if deemed necessary to respond to the threat of COVID-19.

Several requirements of the application and renewal process for Driver Education Examiners would be contrary to the intent of these and other executive orders to combat COVID-19. Therefore, the following shall apply:

1. The renewal application submission deadline for driver education examiners provided in 140 IAC 4-1.3-1(c) be extended 60 days from May 1, 2020 to June 30, 2020.
2. Driver education examiners certifications expiring on June 30, 2020 be extended for 60 days, now expiring on August 29, 2020.
3. The Driver Training School Instructor Physical Examination State Form 53312 will not be required to be submitted for renewal.
4. The fingerprint-based full national criminal background check of each of the school's owners dated within ninety (90) days of the application may be substituted with a limited criminal background check from Indiana State Police, <https://www.in.gov/ai/appfiles/isp-lch/>.

All such rule changes shall only apply for the 2020 renewal deadlines, and not for future renewal deadlines. Please contact Driver Training at drivereducation@bmv.IN.gov with all questions relating to this extension.

Sincerely,

Peter L. Lacy
